

WE PLEDGE TO PERISH PERIOD POVERTY

As a dedicated partner in Greater Fall River, we pledge to be part of the solution to support the needs and rights of those who menstruate.

Having access to necessary products improves the health and well-being of our entire community, country, and world. No one should ever have the limitations of choosing between essential items in life!

By signing this pledge, we affirm the menstrual dignity and equity that everyone should be afforded

WE PLEDGE TO:

- Make menstrual products accessible, inclusive, and free in your organization's employee and public bathrooms
- Host a drive for menstruation products in your organization to provide to those struggling to afford these products (We can provide an editable flier for the drive)
- Provide developmentally appropriate health and menstruation education to the populations you serve (We can provide educational materials)
- Share relevant Perish Period Poverty information on your organization's website and/or social media pages
- Join our community's Coalition Against Period Poverty to be part of the conversation and contribute to the solutions. We meet the second Monday of the month at 8:30 AM
