## Etiquette

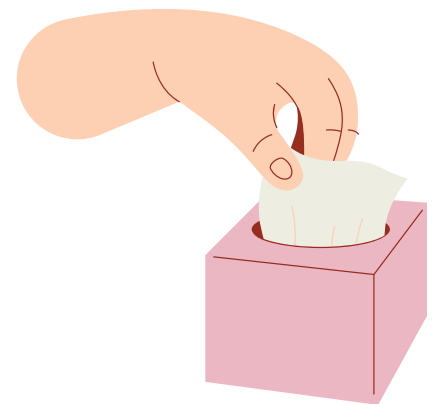

Our goal is to make sure everyone has access to the period products they need. To accomplish so, we need your assistance and ask that you please:

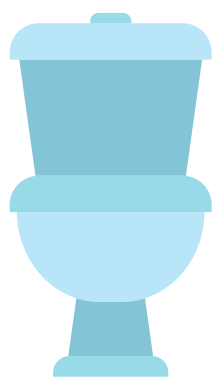

Do not waste the tampons. Grab one if you need it, if not leave them for other students.

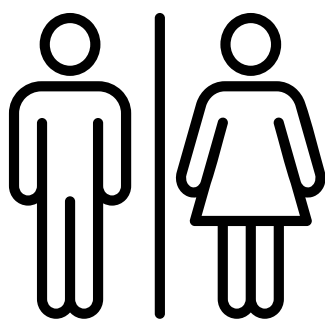

Do not waste pads. Grab one if you need it, if not leave them for other students.

Do not waste the towels or make a mess with them.

Do not flush period products down the toilet, dispose of them in the trash & clean up after yourself.

Respect the bathrooms, the resources provided, & other students using them.

You never know what your peers are going through, They may need things you do not, so don't ruin the opportunity for them.

REMEMBER TO BE RESPECTFUL & MINDFUL
